**DRESS FOR SUCCESS®**  
SINGAPORE

## Who We Are

Dress for Success® Singapore is the official affiliate of Dress for Success® Worldwide, an international non-profit organisation with more than 140 affiliates in 19 countries worldwide.

Our mission is to promote the economic independence of disadvantaged women by providing professional attire, a network of support and the career development tools to help them thrive at work and in life.

Our vision is to empower them so that they gain economic independence and break out of the poverty cycle.

We hope to reach out to more than 8,000 unemployed women from low income households in Singapore. These women may be single mothers with school-going children, victims of domestic abuse, troubled teens, unwed young mothers, have a disability or are marginalised.

*Empowering women today, for tomorrow.*

## What We Do

We work with job-ready women in need who are referred to us by social welfare and charity organisations. Our free services include: professional attire for job interviews and employment, coaching on interview skills, mentoring to help them do well at work, and a network of support for career advancement.

*Supporting women in need on their journey to economic independence.*
